ABOUT THE EVENT

The Lumenia ERP HEADtoHEAD™ event offers a unique opportunity to see and compare the leading ERP solutions over two days. Running since 2010 in Ireland, it is now an established proven event, taking place twice annually, in Ireland and the UK.

The 24th event, taking place on **01-02 October, in the Crowne Plaza Hotel, Dublin Airport.**

The event welcomes organisations that are planning to upgrade or replace their ERP systems or want to find out more about the ERP marketplace.

Over the 2 days there will be 28 ERP solution demonstrations allowing you to compare 14 leading ERP solutions. Software suitable for various organisation sizes, from large corporates to SME's, will be represented.

The event will also have vendor independent keynote presentations, a panel discussion, vendor showcase presentations, and lots more.
